Climate Change		Communities	x
Horticulture	x	Heritage	
Play	x	Health and Wellbeing	x
Maintenance		Education	x
Environmental		Diversity and Inclusion	x
Biodiversity	x	Pandemic Recovery	x
Title of Project			
St Mark's Community Kitchen Garden			
Location of Project			
Drumchapel, Glasgow			
Please tell us what you aim to do. (max 200 words)			
<p>Create a vibrant community kitchen garden for all ages, including children's mud kitchen area, seating and raised beds to allow the community to grow and care for vegetables and herbs promoting a healthy lifestyle for both physical and mental wellbeing. This is aligned with St Mark's vision of Wellbeing for the Community of Drumchapel. The kitchen garden complements the existing memorial orchard and future plans for a memorial path demonstrating a strong desire to improve the greenspace for the community. The kitchen garden also complements the existing community cafe run from the church hall and would be well used by the many community groups, such as family, youth and addictions groups, who already use the kitchen and church accommodation. This is increasingly important as community groups need outdoor spaces to hold meetings as we recover from the pandemic.</p>			

Please tell us how this project will benefit Parks, Greenspace and Openspace. (max 100 words)

This project proposes to take an area of under utilised hard landscaping to the front of St Mark's Church and transform it into a thriving green space for growing, learning and playing to the benefit and wellbeing of the community.

Please describe the continuing benefit of your project. (max 100 words)

The church have seen the benefit of the community memorial orchard and would like to continue to develop the land around the church building for community use. This is an opportunity to provide the community with a place to learn about growing and a safe place for children to play as they learn. Growing vegetables is something that the community have expressed an interest in and would be a project that could benefit the wellbeing of all ages of the community.

3.Finance

Amount Requested	£5000.00
------------------	----------

Total cost of the project	£5275.91
---------------------------	-----------------

If you have secured or requested any other funding for your proposal, please provide details.

Funder	Amount	Confirmed or pending
Studio SJM Architects	£280.00	Confirmed

Please provide a breakdown of expenditure within this proposal.

Item to be purchased or activity to be supported	Supplier	Cost
Gravel & underlay	4x 825kg bags = 4x £99.48 = £397.92	Cotswold Stone Chippings Buff Bulk Bag (travisperkins.co.uk)
